What can you talk about during a Round Table?
Anything! There are no rules, except:

1. Let people know ahead of time what the conversation is about, so they're not caught unaware.
2. Make sure that the Facilitator can guide the conversation without getting caught up in it. If it's too personal, it will be hard to be objective.
3. Pro Tip! Survey participants in advance and let them choose the topic for the next Round Table.

Here are some Topic ideas to get you going:

○ Covid-19 - Problem solving

- Keeping up and keeping your head in school-work when remote or hybrid.

- Going back full time: what to expect, concerns, coping strategies & questions.

○ Making sense of the past year - Emotional
